The Pacific Northwest Reconciling Ministries Network is an affiliate of the national Reconciling Ministries Network, a national grassroots organization that exists to enable full participation of people of all sexual orientations and gender identities in the life of the United Methodist Church, both in policy and practice.

Dear Friends,

Did you know –

- 68% of United Methodist clergy personally feel that LGBT persons should be fully welcomed and accepted without qualification into the United Methodist Church?
- 64% of United Methodist clergy affirm full civil rights of LGBT persons in all of society
- Only 7% of those clergy have publicly expressed their welcome and affirmation?

We believe that we can change the hearts and minds of fellow United Methodists, one person at a time, by telling the personal stories of our lives or the stories of those we know and love. You are getting this invitation because we know you to be someone who cares about justice, believes in full of inclusion of all and loves United Methodist Church.

You are invited to become a **BELIEVE OUT LOUD DISCIPLE (BOLD)**! Join us for the training to learn how to:

- Create and tell stories so people will listen
- Organizing a house party in your region of the conference
- Grow our movement
- Motivate others to action

If you are serious about wanting to change our denomination, this training is for you!
